Button-Hole, Overseaming AND Complete Sewing Machine.

THE first and only BUTTON-HOLE AND SEWING MACHINE combined that has made its advent in this or any other country. The following reasons are given why this is the

Best Family Machine to Purchase.

1. Because it will do everything that any machine can do, sewing from the finest to the coarsest material, hemming, felling, cording, braiding, binding, gathering and sewing on, at the same time ruffling, quilting, etc., better than another machine.

2. Because the tensions are more easily adjusted than any other machine.

3. Because it can work a beautiful button-hole, making as fine a pearl as by the hand.

4. Because it will embroider over the edge, making a neat and beautiful border on any garment.

5. Because it will work a beautiful eyelet-hole.

6. Because it can do over-hand seaming, by which sheets, pillow-cases and the like are sewed over and over.

7. Because you can quickly raise or lower the feed to adapt it to thick or thin cloth.

8. Because you have a short, deep bobbin, by which the thread is constantly drawn from the centre; the tension is consequently even, and does not break the thread.

9. Because the presser-foot turns back; that the cloth can be easily removed after being sewed.

10. Because the best mechanics pronounce it the best finished and made on the best principle of any machine manufactured. It has no springs to break; nothing to get out of order.

11. Because it is two machines in one. A Button-hole Working and Sewing Machine combined.

No other Machine can accomplish the kind of sewing stated in Nos. 3, 4, 5 and 6. Parties using a family sewing machine want a WHOLE MACHINE, one with all the improvements.

It is a LIFETIME, and therefore one is wanted that will do the most work and do it the best; and this machine can do several kinds of sewing not done on ANY OTHER MACHINE, besides doing every kind that all others can do.

The American or Plain Sewing Machine.

(Without the button-hole parts,) does all that is done on the Combination except button-hole and over-seaming.

Read the following report of the Committee on Sewing Machines at the Massachusetts Mechanics' Charitable Association Fair:

The American Button-Hole, Overseaming and Sewing Machine Combined.—This is a new invention, which is just working its way into the favor, and is destined without doubt, to take a front rank among the first-class Family Sewing Machines, combining, as it does, in one machine, the ability to do all the various kinds of plain and fancy sewing done on any first-class machine, and also the working of button-holes and over-seaming. Next in design, well made, of good material, and requiring but a few moments to change from a Button-Hole Machine to a plain Sewing Machine, and your Committee deem it well worthy of the highest premium in the gift of this Association, and award a Gold Medal.

At the Mechanics' Fair, held at Concord, N. H., the American Button-Hole, Overseaming and Sewing Machine Combined, received a Gold Medal as a perfect Machine. Read report of Committee:

This machine, while it possesses all the qualifications of other first-class Shuttle Family Sewing Machines, has combined the Overseaming and Button-Hole making, which must stand far and foremost among Family Sewing Machines, not only for its combination, but for its simplicity, and rapidity with which it can be changed from one kind of work to another. The committee were much pleased with the fine finish, and the working of the machine, which this pioneer of a machine did its work, and the committee take great pleasure in awarding to it the highest premium, as a perfect Family Sewing Machine, a Gold Medal.

Examine them before purchasing any other Sewing Machine. On exhibition at C. A. REED'S Store.

BILL ARP

Cheating Tobacco can be had at A. P. HUBBARD'S at the low price of 25 cents a plug, or five plugs for one dollar. One man

SAYS

He will buy it in future by the dollar's worth. You will find it No. 1. I am not willing to sell it for

CONFEDERATE MONEY

But will take any kind of good saleable Barter—such as Butter, Eggs, Chickens, Hams, Sides, Corn Meal, Flour or Corn, and rather than let a man think hard, I would take a few "Green Uns." They say so.

IS AGWINE TO BE

An election soon for nearly all the offices in the State, and I would advise all the voters in this county, if they all want to feel

GOOD AGIN

To come around to Hubbard's and get a cool glass of Soda Water or Ice Lemonade before and just after voting. Now, this great question will naturally arise with all the people,

SHALL WE VOTE FOR GREELEY OR GRANT

Will say, go to Hubbard's, where you will not only find this good Cheating Tobacco, and Lemonade, and Soda Water, but you can get a good selection of Ladies' Dress Goods, Trimmings, Hats, trimmed with taste; Shoes, of all kinds; Crockery, Glassware, Hardware, Groceries, such as Lard, Bacon Sides, Hams, Sugar, Coffee, Salt, Molasses, and most anything you can mention. And last, but not least of all, a splendid stock of Candles, Nuts, Sardines, Oysters, and all kinds of good things to eat, which you can pay for with cash or barter.
